Joe Walker Earns RRC Designation

Joseph H. Walker with Moore Hackney & Associates, PLLC in Charlotte, NC has earned the title REGISTERED ROOF CONSULTANT (RRC®) from RCI, Inc. Walker qualified for this designation by meeting the requirements of a rigorous two-part program based on verifiable levels of education, ethics and experience, and successfully completing a challenging examination. Walker now joins an elite group of over 450 Registered Roof Consultants in the U.S. and Canada.

The RRC registration is administered by RCI from its international headquarters in Raleigh, NC and is rapidly gaining recognition throughout North America as a key element preferred by building owners, public and private, when retaining the services of a roof consultant.

RCI was founded in 1983 as a 501 (c)(6) nonprofit organization and its professional members offer unbiased design, repair planning, quality assurance, legal testimony and general roofing, waterproofing, and exterior wall services. RCI's roof consultants adhere to a strict code of ethics that offers unprejudiced professional services without affiliation with any product or manufacturer.
